Reflections On 58 Years of Point Reyes National Seashore

Drake's chaplain's observations about the areas inhabitants suggest the landing occurred near a Coast Miwok settlement.

Point Reyes National Seashore

The National Park System Advisory Board Landmarks Committee sought public comments on the Port of Nova Albion Historic and Archaeological District Nomination and received more than two dozen letters of support and none in opposition. During Spanish and Mexican rule, this remote lagoon was used by American, British, and Russian smugglers intent on avoiding tariffs and regulations.

Natural History of the Point Reyes Peninsula, Paperback by Evens, Jules G., L...

These ventures were usually successful. One lesson of the experiment has been its demonstration of the power of commerce, once it has established a beachhead in a national park.

Natural History of the Point Reyes Peninsula (California Natural History Guides #94)

Advent of a New Landlord Marin County had embraced a favorable growth plan in the 1950s and 60s to benefit real estate developers and speculators, with assistance from the state department of transportation. In August and September 2020, drought and wildfires again threaten the Tomales Point elk, leading some conservationists to illegally bring water to the elk north of the fence. Congressman Wayne Aspinall of Colorado, farthest left, has laid his copy down on the Resolute Desk.

Natural History of the Point Reyes Peninsula / Edition 1 by Jules Evens

Although it is likely Garcia got most of his luxury items from smugglers, he may have obtained some of them from another source — Point Reyes' many shipwrecks. Are you an outdoor educator or artist who would like to teach a PRNSA Field Institute class? Still not willing to give up the promise of wealth, he convinced his wife to come, bringing their surviving daughter. He discovered that the only way he could obtain legal title of the land he had illegally purchased was to formally denounce Berry's ownership on the grounds that he had never occupied it.

Ranching History at Point Reyes

The National Park System Advisory Board sought further public comments on the Nomination : no additional comments were received.
