## Kendo Kata: General Information on Kata

Uchitachi lets shitachi concentrate on learning techniques.

## Kaneda Suekichi

However, it does not matter what word it is translated into, it is the source of your energy that is not something we can see but we can feel. It involves more movements and techniques.

## Naihanchi

Although the masters of old would only know a few forms, they understood them in great depth and had the ability to apply them. Plot Appearing late at night due to encountering an , Metsudo inquired as to why the intruder had come to his residence. A month prior to the he defeated in a , but ended up with two broken ribs in the process, leaving him unable to enter the competition himself.

## Kaneda Suekichi

He relishes challenge, as evidenced by his changes to the tournament rules that put himself at a disadvantage. Following 's rerun, Kenya is seen with Satoru's group of friends, reading a book and he was the first one to notice Satoru's interest in. When uchitachi moves, shitachi follows.

## Naihanchi

Soon, representing Ginokuniya Bookstore, Suekichi stepped into the arena to fought in the first round. The pull on the right arm will throw the attacker's left shoulder back and hence prevent the throwing of an effective follow up punch should the defender's initial strike fail to incapacitate. Then gave a phone to Metsudo with his son informing him that the Worm members they had captured were all dying or already dead.
