Shun Premier Santoku Knives

Moreover, having an open kitchen allows us to see customers faces and encourages communication between our chefs and the customers.

Shun Premier Santoku Knives

The location of the palm swale coupled with slightly more weight than a typical santoku could cause some hotspots for folks with smaller hands with heavy use.

Rangoon Map

Knife care is important: Immediately after using you hand wash the knife, dry it and place it back where you store it.

Rangoon Map

Nevertheless, Sōma defied everyone's expectations and secured a decisive victory over Alice. The strict judging round began with 22 student who all received extremely low scores.
