### Report: Early Learning Among Top Six Education Priorities for Governors

Children who engage in age-appropriate learning activities led by well-trained teachers are better prepared for kindergarten and a lifetime of learning. DCYF also has a substitute pool for licensed providers that offered by The Imagine Institute and will be expanding services.

### Early Learning Resource Centers

Please do not send faxes to offices at this time as staff are working remotely and will not have access to the faxes. Governors are in a prime position to make progress on this issue and elevate the positive impact that access to high-quality early childhood education can have for children, working families, and businesses.

### Governor's Commission on Early Learning

Inslee , the Workforce Education Investment Act continues efforts to expand a statewide study-and-work system so students can get real-life work experience and high school or college credit at the same time. Social distancing is one of the main strategies to slow the spread of the virus.

### Early Learning and Child Care

Recent research from the universal preschool program in Washington, D.
