## Best Joke Books for Kids, As Chosen by Educators

I smoked grass in my day but I sure haven't killed anyone yet. When book 12 comes and James leaves Cherub we worried for a moment that that would be the last we see of these stories. See, April Fool's Day was a slasher movie, but it was also a self-referential horror movie similar to those that hit one decade later.

### A Spark of Light

It follows Ryan on his first mission.

### A Spark of Light

This book definitely wasn't disappointing.

### Picture books for children

Ning herself is smuggled into England with no idea of what danger she is in. To view it, This Book was, what it think, to be his 2nd best book so far. And why won't Mum's stupid illness just GO AWAY? Furthermore, pretty much every plot point in Harry Potter is motivated by death.
