French Comparative and Superlative

Even those who consider themselves to be advanced learners can afford to set aside some time just for studying French grammar; the technicalities of the language are notoriously hard even for natives, so it pays to take them seriously! While they both replace the object, their focus is on a different one. My bike is worse than your bike.

French vocabulary and grammar lists by theme

French basic word order is thus Je lisais un livre: I was reading a book although, if the object is a pronoun, it precedes the verb Je le lisais: I was reading it. While you would address family members, children and friends with tu, you would always with vous. Grammar is quite dry and forcing yourself to learn it will be an excruciating experience.

French Fundamentals: 6 Grammar Basics It Pays to Master Early On

Many dictionaries come equipped with grammar explanations and exercises, doubling up as more in-depth reference books and verb checkers. Download: This blog post is available as a convenient and portable PDF that you can take anywhere.

Your Ultimate Guide to French Grammar

There are two main kinds of conjunctions in French: coordinating and subordinating. Taking the time to understand the basics of French grammar is guaranteed to serve you well later down the line. As mentioned before, adjectives need to be conjugated to fit the gender and number of the noun they represent.

Apprendre le français

These common expressions are used by French locals every day. However, personal pronouns are inflected for and ; see.

BBC

Typically, an extra consonant and an e are added onto the end—for example, bon good becomes bonne, and mignon cute becomes mignonne.
