### Doing Business in Spain

Opening a new business in a foreign country can be a nerve-wracking proposition. Most aspects of transfer tax, including rates, deductions and formalities when filing tax returns, are determined by regional tax laws.

### Dentons

Getting Down to Business When it comes to doing business in Spain, keep in mind that you must first take the time and be patient enough to establish a level of trust with your Spanish host or hostess. Capital gains and dividend distribution Broadly, capital gains are part of the CIT and NRIT taxable income.

### Spain country profile

Key Spanish companies such as Ferrovial, Iberdrola and Santander all have significant operations in the UK, and over 700 UK companies operate in Spain. Spaniards take a lot of pride in their personal character and qualities.

### Doing Business in Spain

International business in Spain Spanish Business Culture This section will deal with some main aspects of Spanish culture, traditions and lifestyle that have a tangible impact on the way that business is conducted in the country. It's essential for business travelers venturing to any part of Spain to brush up on the customs and cultural behaviors and manners in the workplace.
