Poem: The Resurrection Of Our Lord

They only cost a few pennies. Jesus gave man life — and his creation killed him in cold blood. Direction, purpose, fullness and release— Life with God is very, very good.

Christian Poems, Christian Poetry to Uplift, Religious Poems

By Joanna Fuchs Curious about the Christian religion? These are my own inner beliefs as well.

My Christ

I so love so much about your poem- the very essence reminding one that the Christ of the Bible was not one to be swayed by the external accoutrements and trappings of 'magnificent' churches where the buildings, rituals and elaborate garb can distract from the simple focus of caring for the needy and giving hope to those who were in spiritual darkness, longing for relief. I need to focus, laser-like on a simple, God-centered life.

Christ I

Who leads me the right path to choose In most difficult situations of my life. Y 7 164-213 10r-11r A dialogue between Joseph and Mary, as Joseph doubts Mary's virginity. Thank you Sunday school teacher For opening my heart To eternal life through salvation, The precious lessons you impart.

Christian Poems

Mark gives us a poetic picture of the night Jesus was betrayed. But, God will always be there to guide us through even the toughest of times.

Serving Those In Need, We Are The Hands Of Christ, Religious Poem

Are you a comfy Christian? These religious Valentine poems support your faith, and honor the love of Christ. Inspirational Christian poetry can address current events, and Christian poems can influence people's behavior and actions, as this Christian poem hopes to do. But primarily his mission was mainly among the poor and common people.

My Christ

I leave only a bag of toys and temporary joy for a season; But you leave a heart of love, full of purpose and reasons. Just click on the link above the title of the poem. Hope the Christian New Year Poems we have shared in this page are of your liking.
