### 1.4.4 Public Law Outline

No personally identifiable data is stored.

### Draft Supplementary Planning Documents and Statement of Community Involvement

Once adopted, the document will provide a range of policies aimed at supporting sustainable waste management, helping us to meet our objectives on climate change and minimising carbon emissions. Due regard to equality has been applied throughout the development of the proposed scheme and the consultation process itself forms part of the EIA.

### Draft Supplementary Planning Documents and Statement of Community Involvement

So the report with all the details, as well as quite a bit of info from the consultation exercises is.

### 1.4.4 Public Law Outline

This of course means that if the cut in central government funding is passed onto claimants in its entirety it will fall disproportionately on those of working age. I don't think the party selection process is finished yet but the word is that JoCo is a 'shoo-in'. It's gone a bit quiet.

### Family Law Week: R (G) v Nottingham City Council [2008] EWHC 400 (Admin)

That's not how I remember things going. Since the last was adopted in 2007, there have been some legislative and policy changes to the planning system.

### LAPP (Local Plan Part 2) Submission Version

So, we've talked about this before haven't we, this that's coming up? Well folks, in defiance of my honest but admittedly cynical expectations,. The Plan will then be used to determine planning applications for waste development.
