## The Apache Wars Part II: Geronimo

That morning a messenger overtook Smith and Wood.

### Geronimo

Warfare was a way of life for the Apaches, and they started fighting Spaniards in the 1500s, followed by Mexicans and, finally, Americans. Davis began an explanation of why General George Crook, his commanding officer, had felt it necessary to prohibit these folkways, but he was shortly interrupted by Nana, the oldest of the Chiricahua leaders.

### Geronimo Was Cornered, Not Killed

As the other attackers scramble to get an angle on the desperate Apache, two more shots ring out, then a fourth. As a young man, Geronimo had lost one of his wives, some of his children, and his mother to a massacre carried out by Mexican soldiers. Army also continued their efforts to rout the Indians.

### Soldiers vs. Apaches: One Last Time at Guadalupe Canyon

Late Sunday afternoon there was a post baseball game at Fort Apache. By the time Custer and Crazy Horse had gone to their doom and things had quieted down in that region, the Southwest was again afire with Apache terror. To be accompanied by a small detachment of soldiers.

### Geronimo!

Years later he recalled the arduous and dangerous time: I carried a double cartridge belt with 45 to 50 cartridges on each belt.

### Know the Real Geronimo: Life of Native American Hero in Pictures

He knew, however, that among them were many blood relatives of the renegades who had gone with Geronimo. The band only experienced one death that whole summer.
