Medieval Oxford

Terminal dates are usually on the Monday after Ascension, with the following exceptions: 1414 — Monday after Ascension to St.

Men Behind the Masque

Daniel Defoe called it 'very fair, well built and wealthy'. On foot All Saints' Street Foot bridges cross the Welland at the Meadows, some 500 yards upstream of the Town Bridge, and with the Albert Bridge a similar distance downstream. This resource is not expected to incur any costs as it would be carried out by volunteers from the RRRA and THS.

Stamford, Lincolnshire

The Queen's College acquired the northern part of its site, in Queen's Lane, between 1341 and 1347, and a frontage on the High Street in 1357.

Display Records

Maine, France Jews Expelled by Count Charles of Anjou, the brother of King Philip The Fair of France R.
