It's no problem/It's not a problem

If I can do that with a minimum of superficial platitudes and irritating attempts at familiarization, so much the better. Today I invited a friend to a party. You save their dog from drowning? Together we may be able to make a positive change in our society.

phrases

One could also respond with 'It was no problem at all' if it fits the service provided e. You haven't had a bloody mary until you've had a Bob's. I can't believe 'no problem' as a response to 'thank you' is garnering this much complaining! In particular, the expression is used as a response to thanks given for an intentional and meaningful kind deed or for a paid service that has been carried out; however, it is also used out of habit to ease the course of social interactions.

What is the difference between and ? vs ?

And I hardly think bad manners is simply a younger generation thing. The owner thanked me in front of her and apologized profusely -- I didn't expect that. You people are really over thinking this.

Why Saying at Work Is Annoying Your Boss

BobTheGoth May 3, 2010 Okay, so I just randomly stumbled upon this page and I found myself rather intrigued about the subject.

‘No Problem?’ It’s a Problem!

It says hey its not such a big deal what i did, it wasn't any trouble at all. Have you got any ideas on how to pull a Your Welcome out of the chronic offenders? Textbooks and workbooks Maths — No Problem! No problem has therefore become a reassurance that their request was not in any way problematic. The positive side is that the intention behind doing things for others is from a place of giving.

What is the difference between and ? vs ?

Things are quite busy here right now.
