In 1930, the French Nations Cup , the first attempt to create a cup for national champion clubs of Europe, was played and organised by Swiss club.

Le guide des champignons

He led Real Madrid to win five consecutive European Cups between 1956 and 1960. The age limit was established to ensure an elite level of fitness. Each time a club achieved this a new official trophy had to be forged for the following season.

Le guide des champignons

. Introduced in 1955 as the European Champion Clubs' Cup, commonly known as European Cup, it was initially a straight knockout tournament open only to the champions of Europe's domestic leagues, with its winner reckoned as the European club champion. As of the 2012—13 season, 40 gold medals are presented to the Champions League winners, and 40 silver medals to the runners-up.

Livre

This article is about the men's competition.
