Students can write on these bunting pieces, and you can string them together in a cute reading display or bulletin board.

SCHOOL LIBRARY

Our school has a rich library. Information power: Building partnerships for learning. There are novels, ghost books, reference books, storybooks,

textbooks etc.

SCHOOL LIBRARY

Click the image to read the blog post with links to several sites with free, year-long library lessons, scope and sequence, and curriculum overviews.

Understanding school libraries

It promotes critical thinking, mathematical logic, and solving for variables. I feel strongly that students should be reading whole books, from beginning to end, instead of packets and passages! My Library Learners blog post will show you how to get started and tell you how it can help build a culture of reading at your school. Another thing that plays an even more important role in this is that the online resources are becoming so over abundant, that we could speak of a complete information flood.
