Best value revisited

They have told us that they got it wrong in 1972, but not what we can have. That is even more true of the next subject that is tackled by the Bill. As it stands, 8 does not not do that.

Compulsory competitive tendering for local authority services: a legal analysis of the Local Government Acts 1988 and 1992

Despite the inevitable remoteness that has followed the change, that council has proved both effective and economical. The new Millennium saw the introduction in some centres of underwater camera and alarm systems. I am glad to say that more than 80 per cent.

Local Government (Sports and Leisure) (Hansard, 6 December 1989)

In particular, will he confirm that one of the most significant aspects of his announcement is the three-year planning period, which will encourage efficiency and modernisation of local services? The proposals undermine the national strategy which the Scottish Sports Council is endeavouring to implement in its programme Sport 2000. We need to look at the very structure of local government and at why so many women are excluded from participating in it. I can speak only as I find locally and.

Why have councils fallen out of love with outsourcing vital services?

Poorer areas will therefore be treated no worse than the average. They did so on the poll tax and quickly changed their minds. I recognise that there may be exceptional—and I mean exceptional—circumstances, and I am taking extra powers to be able to deal with them as I have suggested.
