Affordable housing: Policy and practice in India

On the basis of tenure patterns and public expenditure ratios a broad classification of policy systems for meeting social policy objectives in housing can be made.

Better knowledge base and exchange, good policy and practice for housing

Social housing investment programmes targeted at the homeless have been boosted in range of countries including France, Ireland and Denmark.

Even with 'soft controls, governments have had to pursue policies to mitigate the rent burdens.

Encyclopedia of Housing Law and Practice

In northern and western Europe, there are typically no more than 5 per cent of households living in unimproved private lets. Towards the end of the 1970s, with still modest unemployment rates in social housing, a majority of countries de-emphasised dwelling subsidies in favour of housing allowances. The evidence is compiled following an explicit methodological process, and is presented according to client profiles.

Encyclopedia of Housing Law and Practice

But for further progress resources will be required plus a new emphasis on 'integrability in housing policy thinking and funding. This definition was agreed by a group of experts including the Chairman of the EMCDDA Management Board João Goulão; members of the EMCDDA Scientific Committee; policymakers and top-level researchers in the areas of treatment, prevention and harm reduction.

These measures are a recognition that changing demography, lower inflation, increased need for young person mobility, expansion of higher education and post boom-bust changes in attitudes to early housing career ownership are all raising demands for renting. In the Union as a whole,

but with considerably more emphasis in northern and western Europe, governments have long promoted active housing policies, frequently absorbing from one to four per cent of GDP. A range of documents has been produced by the members and the expert of the partnership or commissioned to research institutes, which can be found in the of the Action Plan.
