What We Know

He concluded that the most successful adults were those who had heterosexual parents that stayed together The Washington Post 2014.

Growing up under the Rainbow: A Study of Child Development in Lesbian Households :: Writing Associates Program :: Swarthmore College

In scenarios where parents discontinue working or are unable to meet the financial requirements of the family, it leads to cracks and makes the family dysfunctional. Emotional problems among children with same-sex parents: difference by definition.

GROWING UP IN A LESBIAN FAMILY EFFECTS ON CHILD DEVELOPMENT

Because lesbian parents serve as role models for their teenagers as people who challenge the cultural pressures of a heteronormative society, lesbian parents shape their children's understanding of gender and sexual oppression, freeing them up to be more sexually open Ward, 1996.
