## Ape and Essence

Plus a media completely controlled by an oligopoly of billionaires who have their own agenda. There is an annoying glibness to this but it appears more a farce than anything meaningful or resonant, whereas the Orgy-Porgy scenes in Brave New World will haunt me forever.

## Ape and Essence by Aldous Huxley, Paperback

In 1948, seeing that the probable shape of his anti-utopia had been altered inevitably by the facts of history, Huxley wrote Ape and Essence.

## Ape and Essence by Aldous Huxley

## Ape and Essence: A Novel

When Aldous Huxley's Brave New World first appeared in 1932, it presented in terms of purest fantasy a society bent on self-destruction. Absolutely, but the man had something worthwhile to say about our culture, and it would certainly behoove us to listen. ## Ape and Essence

## Ape and Essence by Aldous Huxley

After reading Brave New World while still in the public schools, either in junior or senior high, I went into a Huxley phase, purchasing and reading his Brave New World Revisited, Island, The Devils, Heaven and Hell, The Doors of Perception and this one, Ape and Essence.

### **Ape and Essence by Aldous Huxley**

In this novel humankind's most precious institutions are torn asunder and revealed as the perversions of the natural world that they are. Is the final victory with our help of the evil over the good in a inverted moral values world,a world where actually Belial is God,is the triumph of the animal we carry within over the rational.
