## IRIS

The approved provider of an education and care service must ensure that no child being educated and cared for by the service is subjected to any form of corporal punishment or any discipline that is unreasonable in the circumstances section 166. The absence of a warm and trusting relationship with an adult will often result in the child resisting direction from that adult. Reprimanding the child or implementing some other form of punishment will end up reinforcing the behavior we discuss reinforcement below.

### **Understand Inappropriate Behavior, Suggestions for Teachers**

If the motivation behind their behavior is access to this tangible, then getting the item will most likely cause the behavior to happen more often in the future.

### **What is positive Behaviour in the classroom?**

Note: This example only includes one key practice in Tier 1 and is not all-inclusive of a school-wide behavior management plan. It could be that this is what is causing the behavior to continue. This page is current as of 1 October 2017.

## IRIS

They only feel important when they are the boss. Access We are all motivated by access to the things we enjoy.

### **Managing Student Behavior in the Modern Classroom**

Students will need to be reminded of your rules frequently. Adults who model positive attitudes, behaviour and appropriate use of language help children to learn socially acceptable ways of behaving and interacting with others. Given all of the pressures placed on teachers, you may already feel stressed or emotional.

### **Classroom Behavior: 4 Strategies that Really Work!**

What is positive child behavior? Positive Behaviour for Learning habits enable students to engage in learning, make good academic progress and sustain good relationships with both adults and peers. Post them around your room and review them daily at the beginning of the year.
