

Survey of violence in public libraries

Loughborough University of Technology - CCADV :: National Statistics

Representations of perpetrators

Similarly, the study showed that perpetrators of violence were often invisible, or had their actions minimised by the suggestion of other factors and redeeming qualities:

- He was remorseful, he regretted it
- Anger made him do it
- He was drunk
- A focus on his employment
- "He was a peaceful man"
- "Hardworking", "generous"
- Upset that she led to him
- "He just snapped"

Description: -

- survey of violence in public libraries
- survey of violence in public libraries
