VANGELIS

The title, the Unknown Man, refers to the main character. I liked his movements, which had a great deal of a kind of feline grace and assurance; even to his silence there was something which distinguished him from others.

Gurdjieff: The Unknown Man

This was in 1913, an unpropitious date for such a journey as his, for the Kaiser was displaying a bellicose spirit and was building an ominously large navy for Germany.

Solved: Initial EDTA Volume (mL) Final EDTA Volume (mL) To...

Verily, this must be the eye of which we were told on the previous level, and is of some hidden import. He is transported to the city by the merchants who are driven by the appeal of his extravagant armor and two-handed sword.

The Unknown Man (The Keepers of the Orbs, #1) by J.G. Gatewood

Gatewood has worked out an interesting back ground of magic and oaths that underlie the story. Being the opportunist all goblins are, they decided the knight is worth more to them than his weaponry and decide to return him to Havenbrook.

Vangelis To The Unknown Man Vol. I RCA, RCA vinyl record

A young knight regains conscience after being rescued by goblins, but have no recollection of who he is. I was excited about reading this book, but as it progressed my interest slowly diminished. And now a message, scrawled in blood.
