The urban population still continues to increase more rapidly than the rural, and the rate of increase conforms roughly to the law that, speaking generally,—and with important exceptions,—the more populous the urban district, the higher is the rate of growth. Higgs, A clearer sense of the census: the Victorian census and historical research London, HMSO, 1996.

## Cornwall Census • FamilySearch

Guide Three: Census Records England and Wales Introduction Nineteenth and early twentieth century census returns are key documents in identifying and learning more about our ancestors. Johan Kuch might have started calling himself John Cook. But the natural increment of the males, that is, the number of male births minus the number of male deaths, was 1,799,576, or 12.

## Census » Census Transcript Search

You will have to pay to view the original but you will be able to see a transcription for these records. Census information was collected in Cornwall every ten years starting in 1801, except for 1941 when the Country was at war.

## Census » Census Transcript Search

The growth of a population depends on two causes; firstly, the excess of births over deaths, and secondly, the balance of emigration over immigration. They may have been leading a double life.

## The 1821 Census

In this case the street indexes should list a series of folio references. Have you found an error with this catalogue description? The information collected in each census is detailed on internet archive copy.

## The 1821 Census

Budeaux is not noticed; 2. Databases 1825 to 1926 The following list shows all Library and Archives Canada's census records that are searchable in databases on our website. Finding that your ancestor once lived in a street that no longer exists can also be exciting to discover.

**GENUKI: Cornwall:**

This is also the case when in-laws are specifically recorded. Do not assume these relationships. These circumstances might be shewn on a statistical map, which the government or the literary societies in each county should prepare to accompany and elucidate the census of the 7th of June.
