Of course, in the current circumstances, there are also important near-term challenges for monetary policy. .

The Canadian Economy: Current and Future Challenges

Current Economic Situation and Near-Term Policy Challenges Even before last month's events in the United States, evidence had begun to accumulate that the economic slowdown in that country would be deeper and last longer than had been widely expected. The ability of Enron management to undermine and corrupt the independence of their auditors, the then-prestigious but now defunct accounting firm Arthur Andersen, revealed the gaps in GAAP and showed how transparency could be turned into opacity Demski 2003.
