José Batlle y Ordóñez, Uruguay

He was also the uncle of another Uruguayan President, and the great-uncle of President , and his uncle-in-law served as acting president for three weeks in 1894. Uruguay won gold at the and again in Amsterdam. In November 2010, Uruguay and Argentina announced they had reached a final agreement for joint environmental monitoring of the pulp mill.

Batlle y Ordóñez, José

Third, rural reform was aimed at the gradual elimination of large ranches, the promotion of a more balanced and automated livestock industry, and the transformation of rural poverty. His political system survived, and although bitter economic and political crises began in the middle 1950s, the norms of his system endured to preclude military seizure of power, political dictatorship, or successful extremist attacks on the constitution by harshly persistent, radical Castroites.
