**On German**

In Greg Tate's excellent Village Voice interview with Kushner April 20, 1993 , Tate makes very large claims for Angels in America: What's important about his play is that finally homosexual consciousness, which has been the underground force behind leading art movements in America since World War II, is firmly and visibly out in the center. He studies the power of grammar in Russian literature, authoring numerous publications that examine how modern Russian writers are engaged in reinterpreting dialogue with previous generations of Russian literary masters. A very profound, very intense meditation on the interrelationships between Kafka, Gershon Scholem, and Walter Benjamin.

**American Literature and the King James Bible: An Interview with Robert Alter**

He is now collaborating with Delin Ma on a screen version of Babel's Red Cavalry. Jennings, Howard Eiland, and Gary Smith. Cesar, Jasiel, Walter Benjamin on Experience and History: Profane Illumination, Mellen Research University Press , CA , 1992.

**Necessary Angels**

In order to procure one, he wrote a second study, this time on German tragic drama of the seventeenth century.
