All of the authors take great care in laying out their data and applying to them a standard series of tests for grammaticality, distinctness of readings, coherency in discourse, and entailment, reflecting excellent standards of empirical argumentation. Modular morphology, on the other hand, offers the possibility that at least some words are partially formed in the syntax Baker 1988 , Borer 1988 , Hale and Keyser 1994 , Chomsky 1995 and many others.
