**derby porcelain by twitchett john**

Pottery production continued under their rule, but their own artistic traditions merged to some extent with the Chinese, producing characteristic new styles.

**BORN IN 1951?....Birthday Book....Australian Social History....Oz 1951 Year**

The officials were responsible for making budgets, ensuring quality, and sending products back to the imperial court. This vase was made for the Chicago Exhibition of 1893.

**NOSTALGIA: Vanished village coppers, shops and post offices**

The quality of a collection is not always well served by its publications.

**Porcelain in Worcester 1751**

Tea was just becoming a popular social drink from 1730 onwards.
