Rubbing the bag gently will further crush the herbs and release their fragrance. I love to wander around the garden choosing an assortment of foliage, flowers and seed heads that will create a stunning long-lasting arrangement. Last summer on the way to an herbalism course I stopped for a quick tour at the Dried Flower Arranging Garden.

How to Dry Flowers: 4 Simple Ways + Decor Ideas

You could block together some chunkier heads like Hydrangea paniculata, which dries to a lovely coppery colour. Tie each bunch with an elastic band, twine or string and hang them upside down.

How to Dry Flowers: 4 Simple Ways + Decor Ideas

Strawflowers are another easy dried flower. Dried flowers are a trending floral decor that will never go out of style! You can buy ready-made

How to make festive dried flower decorations

Keep reading for more info on how to dry flowers from the garden.

Rosalind's Garden Blooms

There are many different varieties of larkspur and they come in all different shapes, colors and blooms. Pinch together a small group of flowers, snipping off long stems.

How to Dry Flowers: 4 Simple Ways + Decor Ideas

mesh bags very inexpensively, fill them with your dried flowers and herbs, and tie them up. All summer long I harvest and dry flowers to use in winter in dried flower wreaths, bouquets and other gifts.
