I think I'm in there to cleanse the palate. After leaving the art director position, he continued to design covers for Mercury. Tinsley's and Steve Kaye's also made early appearances.

### Magazines

My editorship of EQMM began in the summer of 1991 following a call from then editor Eleanor Sullivan, who was helping in the search for her successor. Damay also set a global orientation for EQMM, publishing works from writers all over the world, from works by English writers like to first English translation of the work of Argentine writer. Cheques only accepted, very reluctantly.
