## Congress of Troppau

The French Army suppressed the uprisings but support for revolutionary ideals steadily declined, as the Swiss resented their loss of local democracy, the new taxes, the centralization, and the hostility to religion. However, the discontinuation of the reforms carried out by the Tsar government seemed to be more critical in that the government lost not only trust from people but also last opportunities to keep Tsarism just by adding some democratic elements to the political and administration system.

## Artz, Frederick Binkerd 1894

According to the analysis of the author, they believed that Russia was not ripe for the proletarian revolution, and therefore without bourgeois revolution advancing, the proletarian revolution could not succeed.

## Artz Frederick Binkerd

He was the last of the French rulers from the senior branch of the. We must explore the psychological dynamics involved in this linkage of purification and violent death. In the ensuing days, the protests grew in size and turned violent as the imperial forces tried to keep order.
