Hence it is to be observed that quarrels arise more frequently where there is no division of the things possessed.

### Doing Faithjustice: An Introduction to Catholic Social Thought

May a person take what is legally the property of another in order to secure survival? But those needs which cannot be effectively addressed at a local level should be referred to at the next highest level of organization. This environmental challenge has fundamental moral and ethical dimensions that cannot be ignored. Sometimes the common good is misunderstood to mean simply the common desires or interests of the multitude.
