Beijing Shi: Wen wu chu ban she, 2014. Through an extensive critique of theories of modernism and the avant-garde, the author reassesses the meanings, functions and socio-historical significance of this work in non-Western contexts by proposing a new theoretical construct—the pop avant-garde—and exploring new ways to understand and conceptualize aesthetic practices beyond Euro-American cultures and critical discourses. The ordered his cavalry to begin wearing clothes fashioned after those of the and peoples.
