## Jacques Lacan

My first task, then, will be to explicate a significant commonality between these two thinkers, namely constitutive alterity. He notes a passage in the diaries which seems to underline the significance of the vulture where Leonardo writes of a memory from early childhood in which a vulture repeatedly struck him on his open mouth with its tail. در کبک است GIFRIC ویلی آپلون یک روانکار در

## Jacques Rancière; Politics and Aesthetics

By contrast, individuals suffering from psychosis, Lacan stresses in line with a vast wealth of psychological research , are prone to characteristic linguistic dysfunctions and inabilities.
