— Joanne Law, NMAS Mediator and Family Dispute Resolution Practitioner, owner of Mediation Institute, Australia and co-founder of Interact Support Inc. How do the current COVID technological and sociological adaptations impact the behaviors of litigants and their advocates? The common term for this is parental alienation. In some states, the information on this website may be considered a lawyer referral service.

Mediating Child Custody Disputes: A Strategic Approach : Saposnek, Donald T.: Amazon.sg: Books

During his eight years in the family law division, he heard dissolution, custody, support, paternity, and domestic violence matters. Case study 1 : a less complex case -- Case study 2 : a more complex case -- Challenges and professional issues -- Special circumstances affecting mediation -- Ethics, values, and morals in mediation -- Making mediation work : recommendations for mediators, attorneys, and judges.

Child Custody Mediation: How It Works and Tips for Success

Filesize: 67.95 MB

As the authors guide the mediator through high-conflict disputes, they present step-by-step details of the process, the order of issues to tackle, and the on-going mandate for maintaining client self-determination of the content while the mediator maintains very structured control of the process. She has written numerous articles and is a contributing author in several books on ADR, with emphasis on mediation and negotiation strategies. Please reference the Terms of Use and the Supplemental Terms for specific information related to your state.
