## Decade of youth: the 1950s revisited

In 1970, Savolainen arranged their work into the photobook Suomea tämäkin, published in time for Christmas. We realize that an infant's pose and expression are challenging to maintain for a photo.

## PPA

If you can still be identified from the photo in your current passport, you do not need to apply for a new passport.

## Heinävesi

Coffee was at last freely available in the shops in 1954, and the first television broadcast was aired in 1955. Their girls dressed in angora sweaters and tight trousers or skirts.

## Heinävesi

After initial attempts at landscape, Hölttö found his métier: portraiture. Reminders of the war that had finished just a short time ago, legless men sit in three-wheelers or weave baskets, wearing dark glasses.

## The Portal to Texas History

He pursued this vigorously, seldom photographing anything else.

## Digital Collections

About works of art in the. The photography for which he is known was almost complete by this point: thereafter, his professional photography left little time for him to pursue his own photographic interests.

## **Heinävesi**

More than 100,000 evacuee families needed homes. Ray Bankston and Don Shugart were two of the most prolific photographers of American Quarter Horses and horse show events in the South and Southwest during the last four decades of the twentieth century. But in Finland the baby boomer generations were among largest in the world when compared to the generations before or after them, and three-quarters of the children were born in the countryside.
