The National Archives

It's exhaustive but still easy-enough to get through provided you're at a decent reading level.

The National Archives

The attitude of the German government to Austro-Hungarian requests of support against Serbia was initially divided and inconsistent.

The Origins of the First World War: Controversies and Consensus

Four Balkan states defeated the Ottoman Empire in the first war; one of them, Bulgaria, was defeated in the second war. Aircraft were initially used primarily for reconnaissance missions. In turn, the public clashes can be traced to changes in the balance of power in Europe since 1867.

The National Archives

Generally speaking, the European business leaders were in favour of profits and peace allowed for stability and investment opportunities across national borders, but war brought the disruption trade, the confiscation of holdings, and the risk of increased taxation. Indian support for the Allies. The infantry divisions were withdrawn from France in December 1915, and sent to.
