Susumu Kodai (2199)

He comes to accept his brother's faith in cooperative relations with Garmillas, and he demonstrates friendliness and compassion toward and other Jirel who had been manipulating him and his crew. As he and Lieutenant Mori are conducting a reconnaissance flight, the crew of Yamato is subdued by a telepathic attack from a serving the Garmillas empire. At times, when something happens between the two, both would blush and just brush it off, Sena would sometimes remind him, but he just pretends to 'Not Remember' to avoid getting things awkward.

KODAIJI WAKUDEN, Kyoto

No recent edition of Genji monogatari SNKS 1985, SNKBT 1997, SNKBZ 1998 suggests such a reading of the chapter title, nor does the Genji manual Jōyō Genji monogatari yōran 1995. Highly recommended when in Japan! He avoids to tell her more, because he doesn't want to speak ill of Yozora behind her back but at the same time, he doesn't know what to say about Yozora since it is too complicated as he still doesn't know much about her and what happened to her in the past. He stays by Mori's side whenever possible after she is gravely wounded during.

Kyoto Travel: Kodaiji Temple

Compared to this, another Kaiseki restaurant my concierge booked a slightly less expensive establishment could not even compare to Wakuden.

Despite after knowing Hinata's sibling relationship with Yozora, Kodaka continues to look up to Hinata.

Japanese Waka Poetry

And later, it was shown that in the past, Sena and Kodaka used to play together as kids but both were too young to recall these memories.

Kodaka Hasegawa/Relationships

We were not disappointed here. Ultimately when Sena's feelings for Kodaka was brought to light, Kodaka immediately walks out of the scene to prevent their club from moving at a different pace.
