## Derek Prince on Experiencing God's... book by Derek Prince

Finally, and most importantly, it is important to note Alcuin's exegetical originality by his adaptation of Cassian's *nec alias quamquam hic morbus nisi suis nitritur virtutibus sauciare* 11. For further discussion of the York cathedral school in Alcuin's time and a reconstruction of authors and curriculum, see , 286—297; , 105—112, and , 252—260.

## Kundalini

Paris: Société d'Édition les Belles lettres.

## Cleaving to God

What we are to our inward vision, and what man appears to be sub specie aeternitatis, can only be expressed by way of myth. Although the discussion of gluttony and sadness were common themes in both sacred and profane literature, evidence suggests that Cassian's thought served as the source for Alcuin's inspiration and prose on both subjects. Some of the papers are less approachable for the general reader.

## A Mind Intent on God, by Douglas Dales

For a good will turns everything to good and is above everything.

## Intention (niyyah)

In one specific letter, there is no doubt that Alcuin relied on the full text of the *De Admonitio ad Filium Spiritualem*. Similarly, both Cassian's and Alcuin's military metaphors reflect the status of their particular audiences. II, Pages 482-488 My whole endeavour has been to show that myth is something very real because it connects us with the instinctive bases of our existence.

## **Frances Billingham: My Books and Other Writings**

Yet we sometimes forget how very little we really know about it; how personal and subjective are the accounts spiritual writers give of it; how empirical and how obscure in its deepest moments, even for the best of us, our own understanding of it I am pleased and delighted to see the church of God adorned today with the throng of her own children, and to see you all coming together with great joy.
