NBT Understand place value Standards 2. Another is to replace the leader with another person.

### Hands

Make Student Science Journals Keeping a journal give students a place to respond and write about what they are learning in science.

### Family Printables, Lessons, and References for Teachers (K)

Compare and Contrast Unit Abstract may include Historical Overview : In this integrated, foundational unit students begin an important transition as they expand from focusing on themselves to focusing on the social units of family and school.

### multiplication and division situations second grade

While many of these characteristics are

Filesize: 67.51 MB

similar to those of formal organizations, others are unique. Homeschools have two common approaches to homework.

**OLD Social Studies / Grade 1 MC3**  
**Unit 1 What is a Family?**

By learning about families, students will begin to understand their place in groups, communities, and the world. Students can watch the videos when they can and review them as needed while working on assignments. The Wonders Reading Program includes various materials that enable teachers to differentiate instruction, guide whole group and small group learning, and focus on writing too! Activities include creating an immigrant's story, researching manners and customs of families from other countries, and creating a powerpoint presentation.
