**House and home : a history of the small English house : Quiney, Anthony, 1935**

Naturally, the Villisca Ax Murder House, with such a dark past quickly attracts ghost hunters.

**House and Home: A History of the Small English House By Anthony Quiney 9780563211334**

RELATED: Before You Remodel a Tudor House... Tudor Revivals continue to be a popular architectural choice today, especially for homeowners seeking a historic aesthetic.

**House and home : a history of the small English house : Quiney, Anthony, 1935**

The traditional thatched roof, however, was replaced by slate. After two separate trials, he was acquitted, and the Viscilla Ax murders remained unsolved.

**Tudor Houses 101: The History and Characteristics that Define This Style**

Both of them refer to a place of living, and you are technically not wrong if you invite your friend to your house though people prefer to use the word home to describe the dwelling they live in.

**Tudor Houses 101: The History and Characteristics that Define This Style**

The Ax Murder suspects — Frank Jones, William Mansfield, Rev Kelly, Henry Moore. Photo: via Daniel Case THE ASTOR HOME FOR CHILDREN Built by New York businessman and philanthropist Vincent Astor in 1914, the large manor was designed to accommodate children who were recovering from illness. Tudor Revival popularity reached its peak in the 1920s but gradually declined as the Great Depression swept the nation.
