210 Scrapbooking Layouts ideas

Use either a single or different patterns on every page to get varying.

Scrapbooking Techniques

Fill in and outline random portions of the picture to make it blend together.

210 Scrapbooking Layouts ideas

I used almost the whole pack of Mediterranean Market stickers to embellish the top left and bottom right corners of that layout.

210 Scrapbooking Layouts ideas

Now, set your hinge in place and use metal brads to affix it to your page. Try some of these scrapbooking techniques. No worries, these awesome little cards can be used in all kinds of fun, inventive ways! A stipple brush is a coarse bristled brush used to add texture and color to the edges and background of your artwork.

Creating a Photo Collage with Guest Victoria Calvin!

You can print journaling, or images, or create your own designs.

Scrapbooking Techniques

Fold the piece of foam thin packing foam into a 3 x 3 square.
