## Abolitionist Movement

However, the motives varied widely.

## Salem In History: The Science and Art of Learning from Evidence and Materials in History

The great question haunting the period was whether the spirit of sectional or the spirit of nationalism would triumph.

## The Temperance Movement

On , , Polk defeated Whig party candidate to become the eleventh president of the United States. The American anti-slavery society is formed.

## Reform Movements 1800s

When the election returns were tallied, the Free Soil nominee, John Parker Hale, succeeded in drawing almost 5% of the vote. But a long perspective suggests the stakes were ultimately far higher than many activists then understood: a massive, world-historic movement for social change was underway, one with revolutionary implications for half of all humanity. We will also review the radically different ways historians have interpreted the rise of public schooling and decide how closely schooling today adheres to the reformers' original vision.

## The Era of reform, 1830

One of the most important facts that is worth mentioning when we talk about political happening between 1800 to 1860 is that in 1804 with the help of 12th amendment electoral for president and vice president separate.
