## History, Politics Shape Wisconsin's Alcohol Laws

In 1786, , a lawyer and politician from , called for a constitutional convention to discuss the matter.

## Unintended Consequences

Administrators acknowledge that partying may have been just as hearty in the past but note that before the late 1980s, it was generally confined to the weekend. Great Britain recognizes the United States of America as an independent nation.

## What the Constitution Says About Sex and Obscenity

The meetings offer fellowship, support, and education to those with a desire to stop drinking. One of the most profound effects of Prohibition was on government tax revenues.

## Deaths During Prohibition: Government Poisoned Alcohol Killing Citizens

Historically, few persons served jail time unless they were repeat offenders. The Government is under no obligation to furnish the people with alcohol that is drinkable when the Constitution prohibits it.

## Alcohol and the Constitution of Man : Youmans, Edward L. : Free Download, Borrow, and Streaming : Internet Archive

As of 2003, the most recent College Alcohol Study found the number of frequent binge drinkers, defined as students who binged three or more times over a two week period, had also remained steady at 20 percent.

## Constitution, U.S.

Constitution, and fluidity in its interpretation has allowed the Constitution to bend to adapt to political demands. Three years later, the Court confronted an interesting twist in FCC v. Supreme Court, through the mechanism of judicial review, interprets the U.
