Reference Guide on Physical and Cultural Heritage Resources

With the release of this consultation document, the Provincial Government is moving forward with its Blueprint commitment to develop Labrador to its fullest potential and to reflect the objectives and aspirations of Labradorians. Apps and Alan Dibb, extract from Canadian Field-Naturalist, Vol. Bonnie Henry, this is the phase in which British Columbians may start to slowly and cautiously expand their social circle.

As well as protecting important aspects of British and Canadian history, the Halifax Defence Complex sites also conserve substantial green spaces associated with them. Parks Canada will continue to work with the Fédération acadienne de la Nouvelle-Écosse to ensure the cultural significance of the island to the Acadians is appropriately conveyed.

Fraser Basin Council

Future increased access to and development of Georges Island NHS will require strong partnerships and collaboration. Whatever boundaries are set, they may influence the determination of significance, because the effects including cumulative effects of the project on cultural heritage resources may be very significant locally, but of little significance regionally. Visit to find the nearest testing location.
