### American Carpatho

Is it a matter of doctrines, creeds, rituals and traditions, as it was for Catholic Spain? I strongly oppose federal control of our election process, and this bill enacts commonsense, limited reforms to federal election laws to ensure that the states have the tools needed to securely and fairly conduct our elections and restore faith in our democratic process. For students enrolled and performing FWS at a campus that must close due to COVID-19, or for a FWS student who is employed by an employer that closes as a result of COVID-19, the institution may continue paying the student Federal work-study wages during that closure if it occurred after the beginning of the term, the institution is continuing to pay its other employees including faculty and staff, and the institution continues to meet its institutional wage share requirement.
