## About the Playwright: You Never Can Tell — Utah Shakespeare Festival

It is well to give a warning, however. At this time though, war was still a vague enough notion that it could be romanticized and this is part of the criticism George Bernard Shaw offers in the play. During the summer of 1884 the little Fabian group met occasionally at Pease's rooms in Osnaburgh Street, near Shaw's lodging, and he looked in.

## Androcles and the Lion by George Bernard Shaw by George Bernard Shaw

The next scene reveals the English perspective on these events. I need hardly say that he is by no means anxious to put an end to all fine sentiment between men and women, but he dissociates it from sexual feeling, which is voluptuous.

## George Bernard Shaw Biography

The lead female in the play, much like English audiences of the time, is sucked into the idea of the war hero and finds it difficult to think that war is anything except not glamorous. He was a great admirer of revolt since early youth.

## Saint Joan Scenes 3 & 4 Summary and Analysis

It may be largely, though certainly it is not wholly, because he is a jester.

## Studies in a Dying Culture I. George Bernard Shaw, A Study of the Bourgeois Superman, Christopher Caudwell, 1938

Go and burn your fingers, he says in effect.

## George Bernard Shaw: a critical study : McCabe, Joseph, 1867

This problem and his answer to it, decided his ideology and also his art. He was now to learn and embrace positive standards, but in conditions which peculiarly encouraged originality, disdain, self-centration, and asceticism. Until 1888, when he became musical critic, he lectured many times a week, and after 1888 lectured on most Sundays in the winter.

## **Studies in a Dying Culture I. George Bernard Shaw, A Study of the Bourgeois Superman, Christopher Caudwell, 1938**

It is an intellectual attitude in the development of which personal sympathies and antipathies have counted for much more than a scrutiny of realities ; and it is an attitude which, as a natural consequence, takes no account of the progress of knowledge, and is already in large part antiquated. No man was ever more anxious to cut deep into the solid substance of life, instead of creating ripples which the calm of to-morrow will obliterate. His father, George Carr Shaw, came of a line of Irish Protestant officials and small professional men, often intermarrying with the daughters of Irish Protestant clergymen : a line which begins in an Anglo-Scottish adventurer who went from Hampshire in the seventeenth century to join the colony of parasites THE MAKING OF A REBEL 5 on conquered Ireland.

Meantime, while he was perfecting his craft by a severe restriction to writing only five pages a day and living on the maternal sixpences, he came into contact with thoughtful Londoners and gathered the material of his philosophy of life. His plays only deal with society and are based on Ibsenian and Pseudo-Ibsenian ideals. He started writing plays after he expressed himself in lectures.
