## Holding Democracy Hostage: Central Bank Autonomy In the Transition From Authoritarian Rule

But although it is now virtually de rigueur to invoke the Chilean case when noting the institutional irregularities characteristic of. Many of today's new democracies are constrained by institutional forms designed by previous authoritarian rulers. One important outgrowth of this political insulation strategy--and the empirical centerpiece of Boylan's analysis--is the existence of new, highly independent central banks in countries throughout the developing world.

## **Defusing Democracy: Central Bank Autonomy and the Transition from Authoritarian Rule**

Defusing Democracy will be of interest to anyone—political scientists, economists, and policymakers alike—concerned about the genesis and consolidation of democracy around the globe. In contrast, I argued for a more explicitly political view of central bank autonomy that emphasizes policy conflict and the unequal distribution of costs and benefits.

## **Defusing Democracy Central Bank Autonomy And The Transition From Authoritarian Rule PDF Book**

Central bank autonomy not only removes a key aspect of economic decision-making from democratic control, but also constrains governments to pursue a set of neoliberal policy outcomes. Central banks are essentially government banks. Suggested Citation Corrections All material on this site has been provided by the respective publishers and authors.
