## Browse By Language: French

According to Quintilian 93 , however, many people in Flavian Rome preferred Lucilius not only to Horace but to all other Latin poets R. Ancient literature The stark fact about ancient Western literature is that the greater part of it has perished.

## Horace

These preliminary comments touch on a small sample of developments in the reception of Horace's work. There were several other early translations into languages including Heinrik van Aken, c.

## The Romans

Steven: It's probably similar in a way to being an artist now when there's a questions asked whether or not all the things that have defined what art is are still relevant.

## Western literature

The world is full of people not enough wise: All bourgeois want to built like high lords, All small prince have ambassadors, All marquis want to have pages.

## About The Etext Center

The German scholar, , once dubbed the tenth and eleventh centuries The age of Horace aetas Horatiana , and placed it between the aetas Vergiliana of the eighth and ninth centuries, and the aetas Ovidiana of the twelfth and thirteenth centuries, a distinction supposed to reflect the dominant classical Latin influences of those times.
