## DVD Talk

The entire complex was supplied with electricity, but there were no switches for turning off the lights. Escape pod crashes on planet. So when Adlar captured Varo he thought that would just naturally progress into more? I was never left wondering about anything and all the questions I had about what happened right from page 1 were answered by the end of the story.

## In Enemy Hands by Wilma Counts, Paperback

That enables the author to set up a world different enough from ours to make it an interesting background, yet not so strange that it distracts from the real focus of the novel: the personal struggle between Varo and Adlar. Travers gives him cigarettes and tells Cremer it's good to see him as Travers leaves and Cremer watches on.

## In Enemy Hands (novel)

Over all I give it 2. Abers and Wright subdue Christophe, who makes a distress call to other U-boats, and engineer Hans Thorsen knocks out Bauer to save Ox. When the torpedo detonates, the Logan is alert to the U-boat's presence.
