### Defining Battles of the Civil War

Even Julia Grant, wife of the Union general who would win the war, came from a wealthy slave-owning family with a plantation outside St.

### War of Northern Aggression / War Between The States / Civil War

Under popular sovereignty, it is the residents of the territories who decide by popular referendum if the state is to be a free or enslaved. Department of Justice, and the enforcement of federal anti-lynching laws and desegregation in interstate transportation. US President Abraham Lincoln declared a naval blockade on the Confederacy in April 1861 to prevent its shipments of cotton to European powers.

### War of Northern Aggression / War Between The States / Civil War

It was under martial law for the rest of the war.

### The Civil Rights Movement And The Second Reconstruction, 1945

If you're pretty familiar with the Civil War, you may want to do what I did and start reading this book from the back. The end of the war was approaching, but the president did not strike a triumphal tone, choosing instead to question why Providence had visited the terrible war on the American people and using biblical allusion to ponder some of the painful and troubling questions the war had wrought.
